

# Certificate

**SeqNet.org**

Hereby we certify that the

**Molecular Microbiology**

**Lebanese American University**

**Byblos, Lebanon**

has successfully passed the

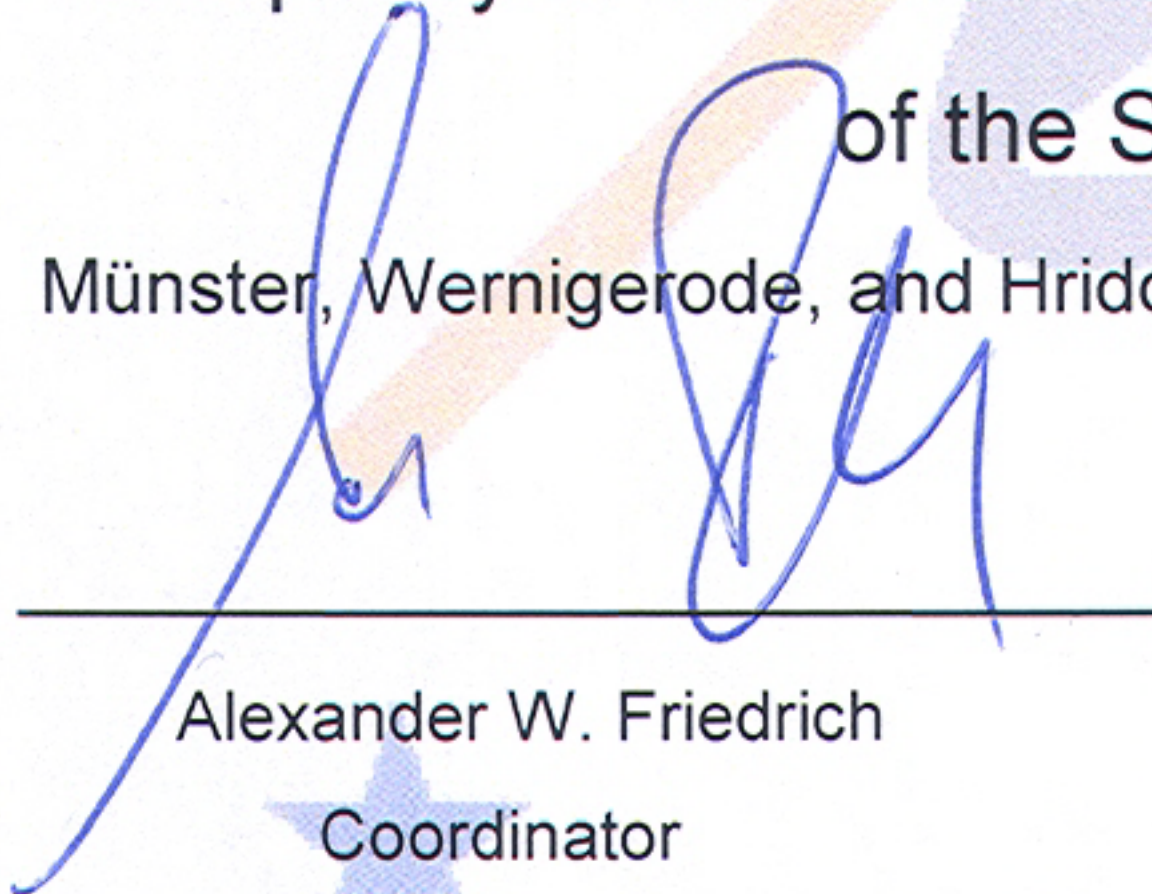

**SeqNet.org certification**

for sequence-based typing of MRSA using *spa* typing:

All 5 samples and 5 pairs of chromatograms were identified correctly.

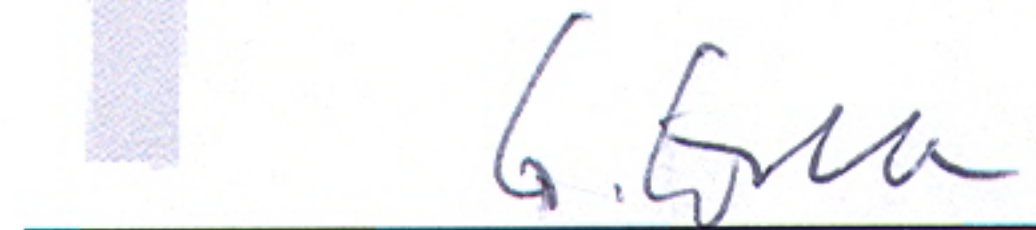

The quality of the results were excellent according to the criteria of the SeqNet.org initiative.

Münster, Wernigerode, and Hridovre, August 2008
