LAU dial-up service: proxy settings for Internet Explorer

1. Launch Internet Explorer.

2. From the Tools menu, select Internet Options.

3. Click on the Connections tab, select your LAU Connection and press Settings.

4. In the proxy server section, check the box that says, Use a proxy server and in the address box type: proxyout.lau.edu.lb. In the Port box type: 8080. Click OK.

You are now ready to connect to LAU.
