# BEYOND ACADEMIC SUCCESS

**We focus on students' academic, social and emotional growth.** Our services and programs cover their journey from settling into university life and choosing a major to finding employment.

## /STUDENT ORIENTATION

Help new students:

- Transition smoothly and successfully into university life.
- Get acquainted with university rules and procedures.
- Get to know deans, advisors, professors and fellow students.

## /STUDENT ADVISING

- Empower students to plan for their own academic journey, along with their advisors.
- Provide them with support in overcoming any academic challenges.

## /STUDENT COUNSELING

- Short-term, confidential, one-on-one counseling and psychotherapy.
- Crisis and emergency interventions.
- Referrals to off-campus professionals.
- Academic tutoring.
- Career counseling.

## /HEALTH SERVICES

Together with LAU's medical centers, the LAU Health Clinics promote and protect the health and wellness of the whole university community.

All students at LAU are insured for medical emergencies and hospitalization. Those who already have insurance are exempted from some of these fees.

## /CAREER GUIDANCE SERVICES

- Choosing a major.
- Exploring career options that are associated with each major.
- Searching for internships and jobs.
- Developing job-related goals.
- Researching potential employers.
- Drafting CVs and cover letters.
- Preparing for job interviews.

## /OUTREACH PROGRAMS

Through our outreach programs, students are matched with 60 partner NGOs year-round to serve the community and grow their leadership skills, depending on causes they feel strongly about. In turn, many of these organizations offer workshops and internship opportunities to LAU students.

At LAU, students take on pressing global issues through six simulation programs that have become LAU staples:

- Global Classrooms International Model UN (GCI MUN)
- LAU Model United Nations (LAU MUN)
- LAU Model Arab League (LAU MAL)
- LAU Model European Union (LAU MEU)
- LAU Model African Union (LAU MAU)
- LAU Model Good Governance (LAU MGG)

## /INTERNATIONAL STUDENT PROGRAM & CULTURAL CLUBS

- Provide support for international students and help them integrate into Lebanese culture, both on and off campus.
- Hold annual events such as Heritage Day, International Education Week and the International Students' Athletics Tournament.

## /STUDENT GOVERNANCE

LAU students get to take part in shared governance by selecting their student representatives every year. This democratic process opens the door for leadership and skill-building opportunities, giving them a platform to raise and advance issues that are important to the student body.

## /HONORS PROGRAM

Tailored for motivated, academically excelling and inquisitive undergraduate students from a number of disciplines, this highly effective program has been running at LAU since 2015. To be considered for the program, students have to complete at least 15 credits (one semester) with top grades. Those talented students are offered specialized courses in small classes leading to:

- Heightened participation.
- Increased interaction with faculty.
- More personalized attention.
- Lively discussions with like-minded classmates.
- Work on additional projects designed to challenge academically excelling students.

## /STUDY ABROAD

Students looking to study abroad have access to programs, scholarships and organizations worldwide. Through LAU's partnership with more than 50 institutions across the globe, students get the chance to spend a semester or more at prestigious universities like Sciences Po in France, the University of California-Berkeley in the US and the University of Ottawa in Canada, during their time at LAU.

# LAU IS ALL ABOUT YOU

You will have the chance to take part in a vibrant student community, which includes extracurricular activities, clubs, athletic and sporting events, and academic groups. You will develop leadership skills and community awareness, and achieve academic, intellectual and social growth.

## /STUDENT CENTER & GYMS

LAU students have a number of places for sports and recreation, including a swimming pool; a student center and fitness center; tennis, volleyball and basketball courts; as well as spaces for martial arts, games, and exercise and dance classes.

## /STAYING ACTIVE

The Office of the Dean of Students coordinates a wide range of activities and clubs that includes everything from culture and sports to human rights and the arts. These groups provide you with outlets to pursue your interests and interact with the community.

**A.** Athletic Activities **V.** Varsity Sports

## /ATHLETICS & VARSITY SPORTS

The LAU Athletics Offices organize intercollegiate, intramural, high-school, and international tournaments, in addition to arranging student participation in local, regional and international events.

# HELPING WITH COSTS

At LAU, we believe that all eligible students deserve an excellent education, regardless of financial limitations. LAU has allocated a generous budget, possibly the largest in the region, for financial aid and scholarships in the upcoming academic year.

LAU is committed to helping students fund their education. Financial aid, grants and scholarships are given based on the financial need and academic standing of applicants, regardless of their nationality, race, gender, religion or ethnicity.

We encourage you to apply for financial aid and scholarships as early as possible.

All aid and scholarships are renewable as long as certain grades and credit-load conditions are met.

For more information, please visit [lau.edu/apply/financial-aid](http://lau.edu/apply/financial-aid)

# A PLACE TO LIVE & LEARN

## BEIRUT CAMPUS

The **Beirut campus** is located within the Hamra district in the heart of the city. It sits on **27,500 m<sup>2</sup> of land**, which encompass **13 buildings** and plenty of greenery. Its central location in the country's capital enables students to have easy access to cultural, social, educational and recreational opportunities.

Our other campus is in **Byblos**, a coastal town situated 35 kilometers north of Beirut. Overlooking the old city as well as the Mediterranean Sea, the campus features **19 buildings** and many green spaces across **317,643 m<sup>2</sup>**. To facilitate students' commute, LAU offers a shuttle bus between Beirut and Byblos, as well as Byblos and Tripoli.

## BYBLOS CAMPUS

## NEW YORK HEADQUARTERS

The **LAU NY Headquarters and Academic Center** is a **high-tech facility** located in the heart of Manhattan. Consisting of classrooms equipped with smart boards, video conferencing technology and HD projectors, the center hosts international conferences, lectures and workshops that feature leading scholars.

### /LAU MEDICAL CENTERS

The LAU Medical Center-Rizk Hospital and the LAU Medical Center-Saint John's Hospital serve the community with evidence-based, patient-centered care, while providing excellent education, research and innovation for LAU's medicine, nursing, nutrition and pharmacy programs.

### /LAU LIBRARIES

Our three libraries boast spacious and well-stocked facilities that include conference rooms, computer centers, group study areas, and open stacks holding about 392,642 print books. In addition, you'll have access to hundreds of thousands of e-books and e-journals, as well as databases.

### /LAU RESIDENCE HALLS

Living in LAU's residence halls brings students together and enhances their university experience. The halls provide well-equipped, secure facilities to live and study comfortably. The team oversees the dormitories and organizes regular social activities.

# UNDERGRADUATE PROGRAMS

For students entering as freshmen, LAU offers Freshman Arts & Freshman Science Programs. (30 credits each)  
Program information is regularly updated. For the latest list, visit: [lau.edu/study](http://lau.edu/study)

## /ALICE RAMEZ CHAGOURY SCHOOL OF NURSING

**Bachelor of Science (BS) in Nursing (103 credits)**

## /SCHOOL OF PHARMACY

**Bachelor of Science (BS) in Pharmacy (174 credits)**

*Roughly speaking, a credit means an hour of class per week. The usual "speed" for most students is 15 credits (more or less) per semester, adding up to around 30 credits per year — or even more if you choose to take a few courses during the summer. You can estimate the number of years of your major by checking the total number of credits you need to complete for that major. For example, a 92-credit program means you can complete it in 3 years.*

# LAU ACCREDITATION

LAU is accredited by the **New England Commission of Higher Education (NECHE)**. NECHE is the regional accrediting association in the United States, developing and regularly reviewing standards for educational institutions of all levels. LAU has also sought out additional accreditations for individual programs from leading institutions to ensure:

- Students receive the strongest educational package possible
- Ease in transferring credits to and from other institutions
- Greater chance of acceptance to other graduate schools
- Increased employability

## /SCHOOL OF ARCHITECTURE AND DESIGN

The **Bachelor of Architecture (BArch)** is accredited by the **National Architectural Accrediting Board (NAAB)** that accredits architecture programs in the United States. The program is the first in Lebanon and the third outside the United States to receive NAAB accreditation. It is officially recognized by the French government, which allows its graduates to practice in France and the European Union.

The School of Architecture and Design is accredited by the **National Association of Schools of Art and Design (NASAD)** in the United States, covering the **BA in Fine Arts** and the **BFA in Interior Design, Graphic Design, and Fashion Design**.

## /ADNAN KASSAR SCHOOL OF BUSINESS

The Adnan Kassar School of Business is accredited by the **Association to Advance Collegiate Schools of Business (AACSB)**.

In addition, its **Department of Hospitality and Tourism Management** is accredited by the **Accreditation Commission for Programs in Hospitality Administration (ACPHA)**.

## /SCHOOL OF ARTS AND SCIENCES

The **Bachelor of Science (BS) in Computer Science** at LAU is accredited by the **Computing Accreditation Commission of the Accreditation Board for Engineering and Technology (ABET)**.

The **BS in Nutrition and Dietetics Coordinated Program (CP)** has been granted candidacy for accreditation by the accrediting agency for the **Academy of Nutrition and Dietetics (ACEND)** in the United States, allowing current and future students the same rights of a fully accredited program.

## /SCHOOL OF ENGINEERING

In the School of Engineering, the **BEs in Civil, Computer, Electrical, Industrial, and Mechanical Engineering** are accredited by the **Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (ABET)** and the **Federation of Arab Engineers**.

## /GILBERT AND ROSE-MARIE CHAGOURY SCHOOL OF MEDICINE

The **MD program** has received accreditation from the **Turkish Association for Evaluation and Accreditation of Medical Education Programs (TEPDAD)**. TEPDAD is the regional representative of the **World Federation for Medical Education**. This allows LAU MD students and graduates to apply for an Educational Commission for Foreign Medical Graduates (ECFMG) certification, and is equivalent to a full accreditation in terms of opportunities provided.

## /ALICE RAMEZ CHAGOURY SCHOOL OF NURSING

The **Bachelor of Science (BS) in Nursing** at the Alice Ramez Chagoury School of Nursing is accredited by the **Commission on Collegiate Nursing Education (CCNE)**.

## /CLINICAL SIMULATION CENTER

The **Clinical Simulation Center (CSC)** was re-accredited for five years by the **Royal College of Physicians and Surgeons of Canada (RCPSC)** starting January 1, 2023. This accreditation reflects its ability to provide simulation-based activities of the highest administrative, educational, and ethical standards.

## /SCHOOL OF PHARMACY

The **School of Pharmacy** is a member of the **American Association of Colleges of Pharmacy (AACP)**.

Also, the LAU's **Doctor of Pharmacy (PharmD) program** is the only one outside the United States that is accredited by the **Accreditation Council for Pharmacy Education (ACPE)**. By virtue of this, the school ensures excellence in pharmacy education and our PharmD graduates are eligible for licensure as pharmacists in most states and provinces in the United States.

The **Postgraduate Year One Pharmacy (PGY1) Residency** conducted by the LAU School of Pharmacy and the LAU Medical Center-Rizk Hospital is accredited by the **American Society of Health-System Pharmacists (ASHP)**.
