

● If you are Indoors

1. Head to lower levels, preferably underground ones, using the stairs and not the elevators
2. Stay near walls with no windows or glass, but do not lean against it
3. Lay on the floor covering your head with your hands, with your mouth slightly open and your eyes closed to prevent debris from entering your eyes
4. Wait for instructions from residence hall supervisor(s)/ or most senior person(s) before leaving the shelter

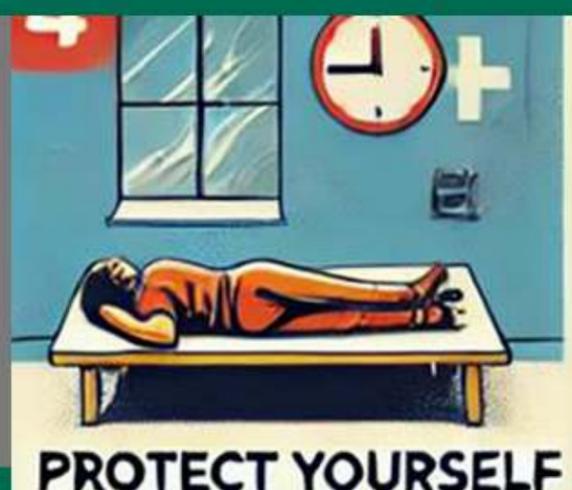

● If you are Outdoors

1. Head to the nearest building & follow the "Indoors" safety instructions.
2. If no buildings are in the vicinity, find the lowest area of ground and lay low covering your head with your hands, with your mouth slightly open and your eyes closed

● Things to Do

1. Carefully read these instructions so that you can easily follow it in case of emergency
2. Stay informed, Listen to emergency broadcasts.
3. Keep all personal jewelry, money and valuable belongings, keys, phones, chargers, IDs and passports, within reach in a small handbag, to be taken to the shelter or to the lower floors, when needed.

● Things to Avoid

1. Look at the air raid
2. Go out to take photos/ videos
3. Sit next to windows/ glass walls
4. Lean against a wall
